

# Confidential Recommendation Form

The Play Like a Girl Student Ambassador Program (SAP) is a premier student “Education through Service” program. Through SAP we strive to provide students the opportunity to gain hands-on experience, while giving back to their community. Student Ambassadors (SA) will strengthen and improve interpersonal and leadership skills while supporting long-standing Play Like a Girl programs. The SAP will serve as an integral part of special projects and events, bringing a youthful perspective and energy to public programs and ongoing initiatives.

The applicant below is applying for the program. This is a yearlong program for girls 9-13 years old who have an interest in science, technology, engineering and mathematics (STEM) and sports. The applicants we select should show a desire and ability to work on a team and a willingness to commit to a yearlong program. The focus of the volunteer work includes education, enrichment and volunteer service in areas such as STEM and sports. Selected Student Ambassadors will spend much of their time interacting with program participants, corporate partners and donors. Ambassadors must maintain a 3.0 GPA or higher with As in science and math.

We strive to have the highest caliber of student in our program and ask that you assist us in evaluating this student’s potential for success by completing this form and returning it to the student with a signed letter on school letterhead with your contact information and convert the file to a PDF file. Thank you.
